

MARCHINGTONSTONE

BM-10 QUALITY POLICY STATEMENT

Marchington Stone Ltd is an independent, family owned quarrying company and specialist supplier of aggregates, road-stone, sand, soil, gravel and block stone to the construction and civil engineering industry throughout Great Britain.

It is the Policy of the Company that all products and services:

- Conform to industry specifications and requirements.
- Meet specific industry quality requirements or standards.
- Are provided within the control of the business management system, which complies with the requirements of **BS EN ISO 9001:2015**
- Maximise customer satisfaction.

Company commitment to the Quality Policy Statement is effected by:-

- Ensuring that all staff understand the policy and conform to defined procedures.
- Requiring all staff to be responsible for the quality of their actions and ensure that our product and service meet customer requirements.
- Ensuring the continued effectiveness of the Business Management System by implementing a policy of continual improvement including the setting and monitoring of business and quality objectives.
- Monitoring the effectiveness of the business management system through audits and management review.

The Business Management System is defined in the Business Manual and in supporting procedures.

All staff are aware of the Business Management System, the Company Quality Policy Statement and adhere to these procedures at all times.

Our Quality Policy Statement will be regularly reviewed for continuing suitability at Management Review. All interested parties can obtain a copy of it from our company website www.marchington-stone.co.uk
